

Course Enrollment Requirements for Students in F-1 or J-1 Status

Enrollment Requirements

- **You must be enrolled full-time:** Register for enough credits to maintain compliance
 - 8 credits for graduate students;
 - 12 credits for undergraduate students
- You can take **only one online class** per academic quarter or semester to count toward full-time enrollment status as mentioned above.
- You must be enrolled in classes which require on-ground presence (class, meetings on campus) throughout the entire term during each term of year program. Courses that are classified by the university as on ground, blended and hybrid meet this on-ground presence requirement.
- **You must register** for your full course load at the beginning of each quarter.
